

# Parent Survey

If you have a child 8 to 13 years old, we would like to know about your needs as a parent. We are designing a program to help parents keep their children buckled up in their seat belt. **Please answer the seven questions below**

**1 How old is your oldest child under 14 years old?**

[Fill in the circle next to your choice]

- 8 years old       11 years old
- 9 years old       12 years old
- 10 years old      13 years old
- I don't have a child under 14 years old.

**2 Where does this child usually sit in the car?**

- Front Passenger seat
- Back seat
- Back bed of a pick-up
- Somewhere else: (please describe) \_\_\_\_\_

\_\_\_\_\_

**3 About how often does this child wear his or her seat belt?**

- Always, every single time we get in a car
- Most of the time
- Some of the time
- Not very much at all
- Never

**4 What makes it difficult to get this child to wear his or her seat belt?**

**6 If you wanted this child to sit in a back seat on every trip, what would make it easier for you to get him or her to sit there every time? [Select all that would make a difference for your child]**

- If my child thought a back seat was the safest place to sit
- If my child had something to do in a back seat
- If other adults in my family supported me
- If there was a law requiring me to put my child in a back seat
- If I thought it was truly important
- If I could tell my child what age he or she could sit up front
- Something else (please describe): \_\_\_\_\_
